Third round announcement – the 3rd CBSTES

25th September, 2021

Dear friends,

The third *China-Belgium Science and Technology Exchange Symposium* (CBSTES) hosted by the Association of Chinese Professionals in Belgium (ACPB) and the China Belgium Technology Center (CBTC) will be held on October 29-30, 2021 in Brussels, Shenzhen, Wuhan and Beijing. The symposium will focus on topics of life sciences, artificial intelligence, climate change, green buildings, business and economic cooperation. A forum will be set up for young scientists. Successful experience and outstanding achievements in scientific and technological cooperation over the past 50 years since the establishment of formal diplomatic relations between China and Belgium will be shared and discussed. Government officials, science and technology experts, business representatives from universities, research institutes and innovative enterprises from both China and Belgium will participate in this symposium.

We are pleased to inform you of the third round announcement of related matters and sincerely welcome all experts, scholars and friends to attend this event.
