

The 8th China–Belgium Science and Technology Exchange
Symposium is scheduled to take place

in Belgium on 28 August 2026

第八届中比科技交流研讨会即将于2026年八月28日
于比利时布鲁塞尔召开

——在中比建交55周年的重要历史节点上携手前行

In an era marked by rapid technological progress and a reshaping global landscape of cooperation, innovation has emerged as a key engine for economic growth, social progress, and sustainable transformation. As important partners with complementary strengths in research, engineering, industrial innovation, and higher education, China and Belgium have long enjoyed a stable and fruitful partnership.

在全球科技迅速演进、国际合作格局不断重塑的时代背景下，科技创新正成为推动经济发展、社会进步与可持续转型的重要引擎。中国与比利时，作为在科研实力、工程技术、产业创新及高等教育领域各具优势的重要合作伙伴，长期以来保持着稳固而富有成果的合作关系。

In 2026, China and Belgium mark the 55th anniversary of the establishment of diplomatic relations, an important historical milestone

2026 年，中国与比利时迎来建交 55 周年的重要历史节点

Over the past five decades, the two sides have continuously deepened cooperation across political trust, economic and trade relations, people-to-people exchanges, and science and technology collaboration, building a bilateral relationship with strong foundations and multiple layers of engagement.

五十余年来，双方在政治互信、经贸往来、人文交流与科技合作等领域不断深化合作，形成了层次丰富、基础稳固的双边关系。

Against this milestone historical backdrop, the China–Belgium Science and Technology Exchange Symposium, jointly initiated and advanced by Association of Chinese Professionals in Belgium (ACPB) and China–Belgium Technology Center (CBTC), will hold its 8th edition in 2026. Building on the achievements of the past seven editions, it will continue to serve as a key platform for China–Belgium exchange and collaboration in science, technology, and professional fields.

在这一具有里程碑意义的历史背景下，由旅比华人专业人士协会（ACPB）协同中比科技园（CBTC）发起并持续推动的中比科技交流研讨会，将于 2026 年迎来其第八届大会。大会将立足前七届的实践积累，继续发挥其作为中比科技与专业领域交流重要平台的独特作用。

I. Seven Editions of Progress: Sustained Growth in China–Belgium Science and Technology Exchange 七届积淀：中比科技交流的持续发展

Since its inception in 2019, the China–Belgium Science and Technology Exchange Symposium has successfully convened seven editions, growing into an influential platform for innovation, academic exchange, and industry collaboration between China and Belgium. The Symposium remains committed to deepening bilateral science and technology exchange through forward-looking topics and high-quality engagement.

自 2019 年创办以来，中比科技交流研讨会已连续成功举办七届，逐步发展成为中比两国在科技创新、学术交流与产业协同领域具有持续影响力的重要交流平台。大会始终立足中比合作实际，聚焦前沿科技议题，致力于推动中比科技交流向更高质量、更深层次发展。

Over the past seven years, Association of Chinese Professionals in Belgium (ACPB) and China–Belgium Technology Center (CBTC) have jointly advanced the Symposium, building a stable organizational framework and a clear trajectory for growth. Across seven editions, it has attracted **1,200+** participants from **30+** China–Belgium universities, research institutions, and innovative enterprises, with **200+** PhD candidates, postdoctoral researchers, and early-career scientists actively engaged—bringing sustained innovation and talent momentum to bilateral science and technology cooperation.

过去七年，在旅比华人专业人士协会（ACPB）与中比科技园（CBTC）的通力合作与持续推动下，大会形成了稳定成熟的组织机制与清晰的发展路径。七届大会累计吸引 **1200 余人次** 参与，覆盖 **30 余家** 中比高校、科研机构与创新企业，超过 **200 位** 博士、博士后及青年科学家深度参与，为中比科技合作持续注入创新活力与人才动能。

Looking back on the development of the first seven editions, the Symposium’s themes and priorities have continuously evolved, from early science and technology innovation exchange to post-pandemic international collaboration, and onward to life sciences, AI, climate change, and green technologies. In recent years, it has further strengthened “technology–industry–capital” synergy, accelerating research translation and academia–industry integration. Today, the Symposium has become a key platform connecting research, industry, and innovation ecosystems.

回顾前七届大会的发展历程，大会主题与合作重点不断演进：从早期以中比科技创新与合作交流为核心，逐步拓展至后疫情时代的国际科技协作；继而聚焦生命科学、人工智能、气候变化与绿色科技等关键领域；并在近三届中进一步强化“科技—产业—资本”协同，持续推进科研成果转化与“产学研用”融合落地。通过连续七届的实践积累，中比科技交流大会已从学术与技术对话平台，逐步成长为连接科研、产业与创新生态的重要交流载体。

II. Mission and the Symposium’s Value

主办方使命与大会价值

As a key initiator and driving force of the Symposium, ACPB has long been committed to fostering China–Belgium exchange and cooperation in science and technology, economic development, education, and professional communities.

III. The 8th China–Belgium Science and Technology Exchange Symposium: A New Chapter in 2026 **第八届中比科技交流研讨会：2026 年的新篇章**

Building on the achievements of the first seven editions, the 8th China–Belgium Science and Technology Exchange Symposium will be held in 2026. It will further enhance its international reach and professional depth, while continuing to expand the scope and dimensions of cooperation.

在前七届大会成果的基础之上，第八届中比科技交流研讨会将于 2026 年举行，并将进一步提升国际化水平与专业深度，持续拓展合作维度。

Theme: Impacts and Prospects: 55 Years of Partnership, Shaping the Future Through Science and Innovation

大会主题：回顾与展望：55 年的合作伙伴关系，通过科学和创新塑造未来

Centered on the symposium theme, this edition will feature keynote speeches, thematic forums, roundtable discussions, and networking sessions, offering in-depth dialogue on the opportunities and challenges of scientific and technological innovation in today's complex international environment. Three parallel sessions will be held in the afternoon: China-Belge Business Pitch; Innovation and Digital Society and Young Scholars Achievement, which will be followed by the award ceremony and closing ceremony.

围绕大会主题，本届大会将通过主旨演讲、专题论坛、圆桌讨论及交流活动等多种形式，深入探讨科技创新在复杂国际环境中的机遇与挑战。下午将举行三场平行会议：中比商业计划展示；创新与数字社会；青年学者成就展示，随后将举行颁奖典礼和闭幕式。

Bringing together experts, industry leaders, and innovators from China, Belgium, and beyond, the Symposium will foster dialogue and advance high-quality, mutually beneficial China–Belgium and China–Europe science and technology cooperation.

大会将邀请来自中国、比利时及国际社会的专家学者、行业领袖和创新实践者，共同分享经验、交流观点，推动高质量、互利共赢的中比中欧科技合作。

V. Closing Remarks: Building Bridges Through Science and Technology for the future

结语：以科技为桥梁，面向未来

Over the past 55 years, the history of cooperation between China and Belgium has laid a solid foundation for bilateral relations. Looking ahead, science, technology, and innovation will continue to play a pivotal role in deepening bilateral cooperation. Reflecting on the achievements of the past seven editions, the China–Belgium Science and Technology Exchange Symposium stands as a concentrated embodiment of this spirit of collaboration in the scientific and professional fields.

五十五年的合作历程，为中美关系奠定了坚实基础；面向未来，科技与创新将继续在双边合作中发挥关键作用。回顾过去七届的发展历程，中比科技交流研讨会正是这一合作精神在科技与专业领域的集中体现。

As China and Belgium mark the 55th anniversary of diplomatic relations in 2026, the 8th China–Belgium Science and Technology Exchange Symposium will move forward with a more international perspective and a more pragmatic orientation toward cooperation, continuing to serve as an important bridge that connects countries, communities, and cultures through science and technology.

站在中比建交 55 周年的新起点上，第八届中比科技交流研讨会（2026）将以更加国际化的视野、更加务实的合作导向，继续发挥科技作为连接不同国家与不同文化的重要桥梁作用。

We sincerely look forward to working hand in hand with partners from all sectors to open a new chapter of science and technology exchange and cooperation in this new stage of China–Belgium relations.

我们诚挚期待与各界伙伴携手，在中比关系新的发展阶段，共同开启科技交流与合作的下一个篇章。
